

INTERNATIONAL MISSIONS EVANGELISM PROGRAMS

International Community Outreach

1. PREM WAGHMARE

Prem is a Missionary everywhere he goes. No matter whether he is in India or the United States, he is ready to share the gospel with anyone at anytime. His organization supports not only Prem, but also his team of twelve evangelists and pastors in India. Prem's team travels throughout central India, sharing the Gospel on the streets, in open air meetings, at bible camps, gospel meetings, bible schools, and establishing home churches. When Prem is in India, his home becomes a meeting place for bible studies every morning from 9:30 am to 1 pm. While in the United States, Prem works with the internationals in the Kansas City area. He and his wife, Anita, and six children (Samuel, Elizabeth, Grace, Joshua, Christpriya and Priscilla) travel extensively to many churches who desire to hear him preach and share his experiences in India. They also have a married daughter, Christa, who lives in Kansas City area with her husband, Kumar, and their daughters.

2. INDIA SUPPORT

This mission support goes directly to fund pastors and evangelists working with Prem in India, as well as for literature and bibles to distribute. Prem has a Pastor training building on a small piece of land he was able to acquire. They live and work in this building where they offer daily bible studies and a place for pastors and evangelist to stay when in this area.

Adopt a Child—World Vision

In January 2003 we introduced you to two very special children, Vishnu Mithu Lal and Jeevan Sharma who live in India. In January 2007 we adopted another girl, Eliza Gomani, from Malawi, Africa. Our sponsorship allows these children to have a bright and prosperous future. Our letters give them a sense that they are loved by persons beyond their community. Our donations help provide medical check-ups, education, job training and career guidance, improved living conditions in their village, help in agriculture or small businesses. We help give them HOPE.

Address: Please write or send a card to these children. You may leave your letter or card in the Mission box and we will see that it gets mailed to the appropriate address.

International Sports Evangelists

Rob Kinnard, Richmond, Missouri, organized this mission to share the Word of Christ throughout the nation and the world through sports and related ministries. For the past several years, Rob and his team have helped Barbee develop a great Vacation Bible School program.

Wycliffe Bible Translators

This is a mission which supports Bible translators throughout the world. Their Vision 2025 is to see a Bible translation begun in all the remaining languages of the world. Beginning spring 2008 Barbee began supporting Jared and Cheri Mullet. This young couple and their three children will be going to Australia to work in the Wycliffe literacy program to help the aboriginal people group learn to read and study the Bible which was just completed in their language. Jared and Cheri have completed their training and are presently still seeking the support they need to begin this journey.
