

SUPPORT THROUGH PRAYER AND LOVE OFFERING

Amazon Boat Ministry

Please keep Don and Dawn Friesen in your prayers as they prepare to leave soon to begin their boat ministry on the Amazon River. This will be their second mission journey to share their faith in Jesus with the people living along the Amazon River. However, they will be traveling 600 miles further up river and will be living on a house boat among the native people on this adventure.

Prayer Request: Please continue to pray for the Gospel outreach. We need discernment and direction from our Lord as we get invited to preach in distant places. Pray much for the believers who are under constant pressure and temptation to be attracted by the world as well as by the worldly church with its false gospel. With all of us being U.S. citizens we were enabled by our Lord to be here in India close to five years and now that we are free to leave, we're seeking Him as to when to return to the U.S. for a few months. Please join with us in praying for His guidance, resources and directions in this regard.
