Dear Praying Saints,

This is just a quick note to let you know that I am in need of your prayers. It seems I am again being attacked by a viral flu, having a high fever, headache, throat congestion, joints and body ache. I thank God that Anita and the children are doing well and that the Lord continues to grant strength and mercy to us to exalt Christ Jesus.

Yesterday evening, a dear man named Anil appeared at our door from seemingly out of nowhere, wanting to know the Gospel. I had never met him before, but realized that there is no accident with God and was reminded of 1st Corinthians 15:43 "It is sown in dishonor; it is raised in glory. It is sown in weakness; it is raised in power." So with great joy (and some aches and pain) I was able to set before him the Way of salvation. After I finished sharing, he clearly agreed that he was lost and that the Christian religion/ministry could not help him. Only Christ and His blood, His righteousness alone can hide him from the coming wrath.

By His grace and mercy throughout the week we find several "Anils" come our way. I have also found that with the Indian culture the way it is, it helps to focus more on men believing so that they will be able to share the Gospel Truth with their mothers, sisters, wives and other female relatives. Pray that our precious Jesus will be glorified.

We also would like to travel back to the U.S. and ask for your prayers that the Lord would open the door for us.

We want you to know that we greatly are appreciative of your loving concern and care for us. I must close for now.

In Christ Jesus,
