Over half a million students return to Boston!

As you read this, the city of Boston is teeming with new and returning students as well as a few of our favorite former summer project students.

We are super excited to see the start of another Fall Semester here in Boston! With over a half million students, it's definitely a busy time of year with student activities fairs, following up students

who indicated that they wanted to know more about Christ, and heading off to various Fall Retreats.

And this Fall is made even more special by the addition of four gals who are very close to our family! Across the top of the newsletter you will find their fun pictures (left to right: Becca; Rachel with Joshua; Jessica, Lorna, & Rachel; and Lorna & Jessica). All four gals were students on summer project with us 2 years ago here in Boston and are now back to live, work and/or study here for the year!

Jessica and Rachel are interns with Campus Crusade serving in our Regional Office and doing ministry one day a week at Bunker Hill Community College. Lorna is here studying, and Becca is here working and volunteering her time and expertise in our Regional Office. We're excited to see what God has in store for all four of them this year! **Please pray that God would use them in incredible ways to reach others for Christ.**

First Swim Lessons, a very verbal Elie, and planning for Jacob's arrival...

Lucy and Joshua both started swim lessons this month (pictured above before leaving for their first lessons) - which they both love! Elie is speaking in full sentences. She has such a sweet little voice that it's hard to be bothered by the additional noise that comes from having three very verbal kiddos. And, our doctor told us that Jacob will probably arrive around mid-October at 37 weeks, just like 2 of his 3 older siblings. **Please pray for Julie and for the safe arrival of Jacob.**

We are so grateful for your faithful partnership with us as we serve here in New England!
